

Ribbon Blenders

We are the only supplier in the world to stock a large quantity of units from 1 through 120 cu.ft. working capacity. In stock are standard and sanitary designs, as well as our more economical carbon steel models. We offer a variety of discharge valve options as well as cover designs to meet your special requirements.

Most In-Stock blenders include:

- Stainless steel wetted parts
- Covers
- Manual discharge valves

Call for details on instock models to determine our exact inventory.
