

“Need a new gear for your 1967 HDM Double Planetary Mixer? No problem.”

Ross mixers and blenders are engineered to run trouble-free for decades. But if you ever need a replacement part, chances are we have it right here, ready to ship in 48 hours or less.

We keep a multi-million dollar inventory of parts in stock – from planetary gears to rotors, stators, seals and O-rings for your High Shear Mixer. So, when you need help to keep your production on track, you can count on us.

Learn more about the value built into every Ross mixer and blender. Visit www.mixers.com. Or call 1-800-243-ROSS.
